LTA Board Meeting - September 30, 2017

The meeting was called to order by President, Matt McPhate at 12:00 pm.

Those in attendance were:

Matt McPhate
Mona McPhate
Jim Jenkins
Doyle Brooks
Donny Sanders
Johnny Pollard
Mitch Killingsworth

1. The minutes from the May 20th Membership meeting were reviewed.
2. The financials were reviewed. A deficit of \$3,289 was the result for the year. This was mainly due to the trap machine donated to TBMGC for the state shoot. A surplus of \$4,036 would have been the result without the trap machine donation.
3. It was reconfirmed that the state shoot was moved to the first weekend in May, ie May 3 through 6, 2018.
4. It was reconfirmed that the state shoot duration would be 4 days in length. The first day, Thursday, will be an open event; Friday will be a preliminary day with both resident/ non-resident trophies awarded; and Saturday and Sunday will the Championship Events for which both resident/ non-resident trophies will be awarded. The HOA would include all events Thursday through Sunday and the HAA would only include Saturday and Sunday events.
Thursday events will be Singles, Handicap and Doubles. Friday events would be Doubles, Singles and Handicap.
5. A discussion was held regarding the potential desire to move the membership meeting at the state shoot from noon on Saturday to Friday evening was held due to time constraints. It was noted that the Articles of Incorporation required the membership meeting to be held between the first and second event on Saturday. Also, the Bylaws require a Board of Director meeting to be held immediately after the Membership meeting. It was noted that both the Articles of Incorporation and the Bylaws could be amended if necessary. It was noted that there are more members present

- on Saturday than on Friday evening. After much discussion it was passed by unanimous vote that the membership meeting would remain on Saturday and that the Bylaws would be revised to reflect the Board of Director meeting would be held after but not necessarily immediately after the membership meeting. The Bylaws will be amended accordingly.
6. Jim Jenkins proposed that the Board authorize the purchase of a laptop computer, the latest version of the 3S shoot tracking program and a printer in order to enable networking of multiple computers to streamline the registration process. The new computer would act as master computer and two other computers would act as slaves. The slave computers would be used for classification and squadding. No manual paperwork would be required. It is intended to continue to use Mike Freeman for the state shoot and he would operate the master computer. Jim Jenkins and Doyle Brooks will build the shoot in the new computer. Jim Jenkins was tasked with finding an individual locally that can function as a backup to Mike. Estimated cost for this is about \$1000 to \$1200. This proposal was passed by unanimous vote.
 7. A discussion was held around the black and white formatting of the program. It was generally thought it would be nice to upgrade to some color formatting if the cost doesn't increase too much. Jim Jenkins was tasked with doing additional research and obtaining costs and providing the results to the Board. Jim indicated he would be bidding out the program printing. The current printer in Shreveport has been done an excellent job at a reasonable cost for a number of years.
 8. It was confirmed that the President/ Vice-President would be responsible for ordering the trophies again. It was discussed that category trophies would not be provided on Friday. They shall provide a list of the trophies to be awarded to Jim Jenkins so they can be noted in the program.
 9. A discussion was held about providing tee shirts for the state shoot. It was noted that Mississippi gives them away, Arkansas has a third-party vendor that sells them and that Alabama doesn't have them. It was generally agreed it would be nice for participants to be able to have them. Due to the non-profit nature of the LTA, a 3rd party vendor should sell them and could provide a portion of the sales as a donation to the LTA. It was decided that Southern Embellishments, Mona's company, will investigate and make a proposal to the Board for furnishing the tee shirts.
 10. The current LTA website was discussed. It was noted that the website provides a great deal of information for the members that other states don't have. However, it is a little dated and operates more like a bulletin board. It was discussed that Mississippi had recently paid to have there's updated but the results were not as functional as the LTA's. It was agreed that Matt and Jim would investigate further for the Board. It was discussed that the website address is too long. However, because it is published in so many places, it was agreed to leave it is as is.
 11. Jim Jenkins proposed that a recognition award be provided to Chuck Labanics for his long service as secretary/ treasurer. This was passed by unanimous vote. Jim will provide Matt with the years of service.

12. Johnny Pollard proposed providing a recognition award to all members who have reached a lifetime total of 100,000 targets. It was discussed that and proposed that deceased and living members who have reached this milestone would be shown on the website and that living members would be provided an award. Jim Jenkins will provide Matt a list of members who have obtained this milestone. This was passed by unanimous vote.
13. A member has requested how the Board can assist Bridgeview with upgrading their trap houses and equipment. The short answer is there is no mechanism for the LTA to force Bridgeview to do so since Bridgeview is a private club. The ATA has awarded Bridgeview a \$2750 grant for the purchase of a doubles throwing trap machine. It is known that Bridgeview has plans to upgrade the houses but there is a good bit more infrastructure that needs upgrading before the work can be done. The Board will continue to monitor the situation.
14. The 2018 State Teams were presented and accepted by the Board. Their awards will be presented at the 2018 State Shoot. The 500 Louisiana target requirement only affected one potential state team member. All of the other candidates had over 1000 Louisiana targets.
15. Other Business
 - a. Tommy Smith has resigned as a Director. There is no mechanism in the Bylaws with replacing him unless a special membership meeting is called. It was decided the position will remain vacant until next year's 2018 election.
 - b. The Handicap Committee will consist of the following:
 - i. Doyle Brooks, Chairman
 - ii. Johnny Pollard
 - iii. Keith Crissman
 - iv. Donny Sanders
 - c. It will be a requirement for trophy winners to be photographed. Jim Jenkins will provide a camera to photograph the winners. Mona will come up with a procedure to take the photos and how to issue the trophies.
 - d. The price for targets at the 2018 State Shoot will remain at \$36/100.
 - e. All fees from Presquad will go to the LTA to assist in purchase of the computer and software.
 - f. A \$20 fee to resquad at the state shoot will be noted in the program and enforced to discourage changes. This was passed by unanimous vote.

The meeting was adjourned at 2:15 pm.
