New Business

The membership requested the Executive Board to move the future shoot schedule to the first weekend in May.

The In-State Louisiana target requirement was reduced from 1,000 to 500 as a part of the State Team qualification criteria. This is retroactive to the 2016-17 target year.

The membership requested the Executive Board to research whether it would be possible to extend the State Shoot to 4 days in future years. The Executive Board is to evaluate at the fall meeting.

The meeting was adjourned at 1:35 pm.
